

# International Conference EURASIA: SUSTAINABLE DEVELOPMENT, SECURITY, COOPERATION – 2019

25<sup>th</sup> - 26<sup>th</sup> October 2019

Samara, Russia

The International Conference “Eurasia: Sustainable Development, Security, Cooperation” – 2019, being an initiative of three universities, is aimed at analyzing geopolitical and economic situation in Central Eurasia. The “One belt - One road” (OBOR) project has multiple effects on many countries, especially, on landlocked continental ones. Some Central Asian nations are also trying to realize their own projects of regional cooperation as alternatives to growing influence of such great powers as Russia and China.

The conference organizers would like to bring together researches and practitioners from political, economic, legal, cultural and educational areas to discuss the geopolitical and economic changes from different perspectives. The idea of this conference was generated by participants of the previous international conferences organized by the Samara State University of Economics (GCPMED 2018-International Scientific Conference “Global Challenges and Prospects of the Modern Economic Development, 6<sup>th</sup> - 8<sup>th</sup> December 2018; VII International Scientific Conference “Digital Transformation of the Economy: Challenges, Trends, New Opportunities”, Samara, Russia (Samara State University of Economics), 26<sup>th</sup>-27<sup>th</sup> April 2019).
